O mittran de naa bolde

O sunn ke zara goldy veera

Jinna jiddan challe odan chal layida
O bande khaas naa ni khed de chalaakiya

O asi khane aale hunde aa khane aale

Jinna jiddan challe odan chal layida

O bande khaas naal ni khed de chalaakiya
Sidda jaan ke gale ton vairi fadiye
Aiven door khade maarde ni thaapiyan

O kaka maariya ne maara hoyiaa vaddiyan
O samay de gawaah bolde

Aap ghat hi bolida assi sohneya
O mittran de naa bolde
Aap ghat hi bolida assi sohneya
O mittran de naa bolde

Naam hamma hamma yuba city dere
O batthan pind nu belong jatt karda
Naam hamma hamma yuba city dere
O batthan pind nu belong jatt karda

Kade bhale ni munaafe vich yaariyan
Rabb sukh rakhe bada saukha sarrda
Munda dhilloaan da geeta vich sun sun
Vairiya de khoon kholde

Aap ghat hi bolida assi sohneya
O mittran de naa bolde
Aap ghat hi bolida assi sohneya
O mittran de naa bolde..
