

Ghost Party Song Lyrics

Aavi parakkuthu paaru soodaachu enga petta
Ooru thoongura pothu start aagum enga vetta
Kaathu kelambuthu paaru ellame enga setta
Night vidiyuthu paaru athuthaathe enga kotta

Devi chandramukhi
Antha kanchanaakku raani
Oru freaky
Dracula nee
Ini conjuringa

Kammi kammi
Alla kammi

Ye aranmana vaasal idhutha
Dhillukku dhuttu na tharuve variya
Arunthat iva ullatha irukka
Sangili bungili kathava thorayaa

Iruttaraiyila ennamo irukku
Bayama irukku darling muniya
Petromaxu light ah eduthu
Paaru theriyum moginiyaa
