

Gila badan tera pyaasa yeh mann mera
Aa baahon mein tu kuchh iss tarah
Lab pe na shikawa ho aankhon mein na haya
Kare pyaar jaanemann jab tak bhare na mann

Sama keh raha hai ghata keh rahi hai
Behati huyi yeh hawa keh rahi hai
Har faasalon ko aaj mita
Rok na mujhako tu baahon mein aane de
Ek jaan do badan todake bandhan

Chaaht ke gehare samandar mein dube

Bheege huye har manjar mein dube
Deewaanagi ko naya mod de
Bhadake hai shole jo unako bujhaane de
Samaane de aaj mujhako bechain hai pal.
