

Everytime I see you
See you in my dreams
Wanna make you my girlfriend
Like a drug in my bloodstreams
Baby I need ya
Need ya for whole my life
Wanna make you my girlfriend, Girlfriend!

Ho mere chalde ne saah tere karke
Ik tere karke, Ik tere karke
Tennu mangeya ae Rab kolon marke
Haan mar mar marke
Haan mar mar marke
Tennu le na jaave koi methon door
Koi jag te na hove aisi hoor
Tennu le na jaave koi methon door
Na hove koi hoor
Na hove koi hoor

Tennu jitt lena ae lad ke
