

Jagmagati ladkiyan ye jhilmilati ladkiyan
Jinke deewane tum hi toh ho
Hmm..hansti gaati ladkiyan
Khilkhilaati ladkiyan
Chahti sab kya hain, ye suno
Inhe sabke hai mann mein kya
Inki dhadkan mein kya
Suno zara sapne kya hai inn aankhon mein
Dil mein hai kya armaan

I hear my body talk to me
Some soul shake it off boggie answer me
Yeah yeah yeah yeah...

Girls like to swing..swing..
Zara aage nikal ke..swing..
Naye rango mein dhal ke..swing..
Andaaz badal ke..
Yaani hichkichana nahi hai..swing..
Masti mein hai jeena..swing..
Jeevan ras peena..swing..
Ye baat hui na!
Yaani ab sharmaana nahi hai

Har ghadi jashn ho
Geeton ki barsaat ho
Gaaye pal pal ye zindagi
Pighle pighle tan-badan
Khoya khoya sa ho ye mann
Chaayi chaayi ho dilkashi..aa..

Ho tharrtharahat hi
Ho sannsanahat si
Ki saans-saans mein ghula ho ajeeb sa nasha..

I hear my body talk to me
Some soul shake it off boggie answer me
Yeah yeah yeah yeah...

Girls like to swing..swing..
Zara aage nikal ke..swing..

Naye rango mein dhal ke..swing..
