---

Ho jadona hassdi ae tu khid khid ni  
Sadda saah rukne nu phirda ae  
Na khadeya kar sheeshe agge  
Sheesha tuttan nu phirda ae

Ho munda turrdi di baanh teri  
Phadi jaanda ae  
Rang hauli hauli tera  
Saanu chadhi jaanda ae  
Ni farmaan hassda ae

Door sadda rona ho gaya ni  
Ni tere naal reh reh ke  
Hor munda sohna ho gaya ni  
Ni tere naal reh reh ke  
Hor munda sohna ho gaya ni  
Ni tere naal reh reh ke

Ni ajj kal saanu khud de khilre  
Vaal vi change lagde aa  
Je tu puchhe saanu haal diye  
Sadde haal vi change lagde aa

Ho zulfan ni teriyan  
Jo mathe utte aaiyan  
Ne son kithon dindiyan  
Jo wanga tu chadhaiyna  
Ho nakhreyan naal ne bhariye ni

Aukha sadda sona ho gaya ni  
Ni tere naal reh reh ke  
Hor munda sohna ho gaya ni  
Ni tere naal reh reh ke

Hor munda sohna ho gaya ni  
Ni tere naal reh reh ke

Ho tere layi main leke rakhiyan ni kude

Kanna vich paun de layi vaaliyan  
Ho doliyan nu tu hi baithe  
Tere utte dulli baithe pakkiyan  
Ni tere utte nazran tika liyan

Ho jeeni aan tu sandh  
Tainu paunda main kameejan kude  
Taur utte tere layi taan  
Launda munda reejan kude  
Ho aadatan vi dohan diyan  
Ikko jehiyan ho gaiyan  
Ni bolan da sohna tera lagda saleeka kude

Jadon da hath chumeya tera  
Baadal main thoda ho gaya ni  
Ni tere naal reh reh ke  
Hor munda sohna ho gaya ni
