

God Bless Lyrics

God bless ni loki ronde rutbe ton guess
God bless ni yaar beli asli na less
God bless aa akhan ch chadi aa redness
God bless ni saanu amraundi goodness

God bless main aage door pichhe success
God bless ni assi chakde ni stress
God bless o quintal di lawn bench-press
God bless na dhuhi maare jatt trackless

Ni main bukda phir aave seedhe vaare lalkaare
Lagga jutti utte tilla dooron maare lishkare
Aa mitra da kam dekh painde aa khalaare
Deal karaan ni chicago baitha pind de chubare

Ni kam zyada bolda aa less god bless
Ni badi door rakhi access god bless
Main dil di karda na express god bless
Aa media di saade te flash god bless

O lishke ni kurta press god bless
Main ghumda kade na gun-less god bless
O dekh saale baithe depressed god bless
Main mauj vich baitha aa relax

O gaane vajde aa pind but they know I'm still street
All I do is win hearts so I got with 'diljit'
If you really wanna hit then you gotta ring me
Man my name is full-flame all I do is bring heat

Taiyon kari di ni care full baabe di aa meher
Bukke ek vaar hor jatt aa gaya ni fer
Maaraan mauke te nishana karda na ter fer
Ek load hunda clip dooja rakhda spare

Likhan nike wangu cheque better pay full respect
If you coming, come correct saanu jaanda har ek
Jatt killa dhaun ch they coming for my neck
Asi khed'de ni bhabhi sadi zindagi aa chess

Main karda chill loki karde aa saarha god bless
Kalam nu chamber ch chaadaan god bless
Maapeyaan te rabb da sahara god bless
Main dasseya si main vi dil da na maada god bless

Ohi vaahn vich bhajje jihde pattaan wich jaan
Rees jatt di ni honi kalla khaake ah samaan
Maaraan lohe naal matha naale kadd da ni dand
Ainve mahina maar gym putt chhedi de ni saahn

Currency chahe koi vi hove o mitra da mul painda ni
Haaye gabru de dovein dasde punjab chadhda te lehnda ni

Ni saade ton karayi phire 'yes' god bless
Aa bullaan tereyan di pinkness god bless
Ho mitraan di tu hai weakness god bless
Ni tere pichhe saambh laange mess god bless

Aa hater aa hoye obsess god bless
Ni mere moohre challe na flex god bless
