

Anuraadhaa  
O anuraadhaa  
Kyun ri pagli  
Ari is tarah rone se kyaa hogaa  
O tum aansoo ponchh rahi ho  
Magar mujhe hichkiyon ki  
Awaaz to sunaayi  
De rahi hai achchhaa suno  
Tumhen ek kahaani sunaun  
Bahot din huye ek baar

Gokul se gaye girdhaari  
Gokul se gaye girdhaari  
Huyi sooni nagri saari  
Gokul se gaye girdhaari

Jeet dekho ut chhaayi udaasi  
Rowat hai nar-naari  
Jeet dekho ut chhaayi udaasi  
Rowat hai nar-naari  
Gokul se gaye girdhaari

Girdhaari to gokul se chale gaye  
Jo vrindaawan waale the  
Unkaa kyaa haal huua

Nainan neer na chain jiyaa mein  
Nainan neer na chain jiyaa mein  
Shok huua ati bhaari  
Shok huua ati bhaari

Aur gopiyon ki haalat  
To aur bhi kharaab thi  
Bichaari kahti thi

Kaise jaaun jamunaa jal bharne  
Kaise jaaun jamunaa  
Jamunaa jal bharne  
Kaise jaaun jamunaa jal bharne  
Tat pe na aaj muraari  
Tat pe na aaj muraari

Magar sabse zyaadaa dukh  
Jaanti ho kise huua thaa  
Anuraadhaa jaisi ek raadhaa thi  
Bichaari bichaari ro-ro kar kahti thi

Kaanh-kaanh har aan ratat man  
Kaanh-kaanh har aan ratat man  
Bhoolat naahin bihaari  
Bhoolat naahin bihaari  
Kahe bidyaapati madhusoodan ne
