Mere te marrdi aa darrdi aa kyun

Kyunki mera dil vi tan fida hi ae tere te

Tere te nazran jahaan diyan
Nazran jahaan te shaitaan diyan
Shaitaan mera chela te guru ohda main
Main gallan karda nadaan diyan

Nadaaniyan ton yaad mainu tu auni ae
Aundi reha kar jandi reha kar
Jaaya tu saveere kar aaya kar shaam nu
Raat nu tu chand nu vi chandi keha kar

Chandi di anguthi ikk lai ke aaunga
Teri ring finger da naap dass de
Naap dass de tu tere lakk da mainu
Teri maa vi dassugi tu aap dass de

Aap dass de tu hun kivein mannegi
Ovein hi mana launga jivein mannegi
Mannegi je gall ikk hor mann le
Mere dil naal dil wali dor bann le

Bannegi parinda taithon chhut hi jaanae
Temporary pyar mera tutt hi jaanae
Tuttan ton pehla gall keh len de
Tere layi libaas kaala le len de

Len de swaad ikk car laini ae
Main dhoop jehdi paddi
Dhoor paindi rehni ae
Teeji seat utte baithe jehda marzi
Khabbi seat utte kalli tu hi rehni ae

Rehni ni koi yaad meri ex mainu
Main jehdiyan da aashik puraana ho geya

Ho geya kamaal te bawaal ho gaya
Mera tere dil vich auna jaana ho gaya

Auna jaana hor kithe kithe ae mera
Sach dassunga je tainu sach chahidae
Chahida koi kissa mainu jyonda jaagda
Manto jaun ghalib da touch chahidae

Touch waisa tera vi tan chahidae mainu
Touch ch rakhi mainu dil ch nahi
Dil ch tan rehan de main layak ni reha
Haadsa ho janda ae tu pher na kahi

Pher na kahi kaka tainu ni khabran
Viah di khabar meri udd gayi kivein
Gayi si canada gedi laun vaaste
Vancouver ton surrey mudgi kivein

Mudddi nu modh te deedar tere ho gaye
Ve nain mere 2 si ve 4 mere ho gaye
Ho gaye hizaab e haya door mere ton
Mere ton ni reha janda door tere ton

Tere ton main gallan dilan diyan sununga
Sununga tan lagda ae geet banunga
Banunga mahoul te content banunga
Tera mera baddalan ch tent banunga

Tent ch main behke tattoo til ginunga
Taithon pehla kinne tode dil ginunga
Dilan di tan bohati gall karda ni waise
Par banda dilan da kinna bill ginunga

Ginke dassunga kyun ni vassda basere te
Chhadke savere meri nigaah kyun hanere te
Hanereyan ch baitha kihde khaab dekhdae
Khaaba vich kihda chehra dikhda banere te

Chashme lagge ne tere gol mol chehre te
Chehre ton tan lagda ae marrdi ae mere te
Mere te marrdi aa darrdi aa kyun

Kyunki mera dil vi tan fida hi ae tere te
