Amaralla amaralla asadaali
Aramana varathana bathalaali

Sathjitham arambaakkiyom
Jikara jikara saathiyo

Jahare jahare pakaraale
Bakkminnaale kurbanı ye
Duniyaavaali dillovaali
Maafum maafi asse baahi ye

lyrics

Aramana varathana bathalaali
Fithna pulli parumaani
Aravan amarallaa

I'm a self-made i'm a millionaire
I'ma take it to the top it's a golden stage
My crown's so heavy on my head i thought
Put a price on my head they want a headshot

Gold bars in the back bring 'em gold bars
Need a bang i got walls on my heart
Ready for a battle and in 24 hours
Every minute that i'm breathing i'ma increase my power

They wanted a piece and i gave 'em a fraction
They wanted my crown i gotta give 'em an extraction
They wanted me dead but the plan had a flaw
You can't kill a legend you can only make one

Yeah yeah you just back drop
When i headbangers and i pop off

Y'all live in a castle of glass
When i broke on the sea take your hats off

Maafum maafi asse baahi ye
