

Golmal golmal everything
Is gonna be golmal
Golmal golmal everything
Is gonna be golmal
Jane kyo dil yeh kehne laga hain
Abb toh tu dil mein rehne laga hain
Bas gaya hain tu meri rago me dil
Sitam tere sehne laga hai
Golmal golmal everything
Is gonna be golmal
Golmal golmal everything
Is gonna be golmal

Teri baho mein aati hoon
Main sare jahan ko bhula ke
Lele teri panaho mein tu
Abb toh gale se lagake
Teri baho me aati hu
Main sare jahan ko bhula ke
Lele teri panaho mein tu
Abb toh gale se lagake
If u say u want me
I gotta say u got me
Teri chahato me
Huwa hai yeh haal
Golmal golmal everything
Is gonna be golmal
Golmal golmal everything
Is gonna be golmal

All around exponentia
Brand new sound
Take the rythm
And break it down
Fil the subways in da ground
All da gals gonna shake their bump
All da boys gonna bump their bump
When rythm start clapping
Da body starts slapping
Its teri sapno mein rehati hoon

Mai apni hi duniya banake

Rang bhar de hawao me

Tu sapano ko mere saja ke

Teri sapno mein rehati hoon

Main apni hi duniya banake

Rang bhar de hawao me

Tu sapano ko mere saja ke

Love me somebody

I want you for me

Kab tum mere honge

Hai dil kaa sawal

Golmal golmal everything

Is gonna be golmal

Golmal golmal everything

Is gonna be golmal

Jane kyo dil yeh kehne laga hain

Abb toh tu dil mein rehne laga hain

Bas gaya hain tu meri rago mein dil

Sitam tere sehne laga hain

Golmal golmal everything

Is gonna be golmal

Golmal golmal everything

Is gonna be golmal

Golmal golmal everything

Is gonna be golmal.
