

Goni Mein Paisa Lyrics

Goni me paisa hai paise ka game hai
Chawanni churane me apnach toh name hai
Goni me paisa hai paise ka game hai
Chawanni churane me apnach toh name hai

Goni me paisa hai paise ka game hai
Chawanni churane me apnach toh name hai
Goni me paisa hai paise ka game hai
Chawanni churane me apnach toh name hai

Billa shot roz hote billa shot bhot
Mumbai zabani aur kala mera court
Toster pe rakha maine karne garam bread
Mera muh rehta band aur baat karte note

Jabhi jeb mere bhatri tabhi yaad karte log
Tu pharshi ka pani mai have meka smoke
Life kabhi lavish kabhi feel hote joke
Khise thode khali lekin dil mera dope

Or dil mera bada
Haqka aagar mera toh mai duniya se lada
Waise toh mai chingus nai bachpan se aadat se majbur mai
Isliye kabhi kabhi karna padta meko bhi chingus pana

Shot deta public ko bachpan se shana
Muddal hai sabkuch maine bachpan mech jana
Free ka nai chodta mai yech mere khasiyat
Maiyaat ka bhi khaila maine ek ek dana

Goni me paisa hai paise ka game hai
Chawanni churane me apnach toh name hai

Karu mai bate aaise kaise
Bate kare mere sare paise
Itna mahinga kiko dera
Matter karra aaise kaise

Mere hoodme aake puch

Milte meko kitne tere jaise
Meko dikhra nai og kon mere jaise
Bruhhh

Wsssup aur kay vishayy
Toster hai kidar meko khabar nai hai kai vishay
Mahinga mera gift qke dil mera bada
Ye 5000 nikalu kaise bata meko kai vishay

Mumbai hai bro khali jebse idar kam nai chalta
Jab tak bolee tere bade tab tak chand nai dhalta
Bina dekhe hari patti mera muh nai khulta

Q ke mere jaise shana har gali mai nai milta

Gali gali dhoond
Gali gali puch
Gali gali mai
Gali gali tuch

Tere jaise chingus
Gali gali mandwali
Gali gali rehra proof
Gali gali mera ghar

Gali gali mera hood
Karje mai rehke bhi charche mai
Gali se me aj sidha hustle bade parde pe
Mere muhpe dekh badi wali smile
Kon shana bola teko khushi nai khareed sakte paise se

Goni me paisa hai paise ka game hai
Chawanni churane me apnach toh name hai
Goni me paisa hai paise ka game hai
Chawanni churane me apnach toh name hai
