Good By Myself Lyrics

Hai nayi ye subha Hai naya ye basera Tu nahi ab mera Jata kuch nahi mera

Zindagi mili hai toh Gham me kyun hai bitani Bharatlyrics.com Khatm gar ik hui Shuru kar nayi kahani

I dont need you Tu samjha kya I dont want you Tu samjha kya

I am good by myself I am good by myself I am good by myself

Tune kya socha tha mai Tootoongi tujhe manaungi Tere liye roungi Pehle ki tarha tu itrayega Mujhe girayega Mai sab seh loongi

Tune kya socha tha mai Tootoongi tujhe manaungi Tere liye roungi Pehle ki tarha tu itrayega Mujhe girayega Mai sab seh loongi

Gone are those days
Where you were
Treating me as m a fool
Its a new story by me
Where I am writing all new rules
I dont need you na na
Tu samjha kya
I dont want you
Tu samjha kya

I am good by myself Ooo I am good by myself I good by myself
