

Main gori chhori hu gopala  
Tune tirchhi nazaria se kyo mara  
Main gori chhori hu gopala  
Tune tirchhi nazaria se kyo mara  
Murgi churane aaya gopala  
Meri tokri mein rakhi hai re gopala  
Makhan churane aaya gopala  
Meri handiya mein rakha hai re gopala  
Gopala gopala bolo pyare gopala  
Gopala gopala bolo pyare gopala  
Peechhe bhi gopala aagey bhi  
Gopala bas gaya dil mein gopala  
Murgi churane aaya gopala  
Meri tokri mein rakhi hai re gopala  
Makhan churane aaya gopala  
Meri handiya mein rakha hai re gopala

Tere liye aaya meri jaa laga ke jaan ki main baaji  
Tere liye maine bhi chhod di ye duniya saari  
Aa meri baahon mein aasha poori karne de  
Aaja aaja aaja o preetam pyare aaja  
Aisi bhi kya jaldi kuchh to andhera hone de  
Dil nahi bas mein tu mujhe aur na tarsa  
Sab kuchh doongi jara sa aur thahar ja re  
Sajni tujhe dekhoo to dil mein hoti halchal  
Sajna tune kyo kar diya mujhko ghayal  
Murgi churane aaya gopala

Daeeya re daeeya re saram udh gayee meri

Dil ki ye halat hai phir kis bat ki deri  
Chhuk chhuk gadi jara si tej chalana re
