

Where are you
Ive been looking all over
Hear you
I hear your breathing closer

Ae ri mai aaj piya nahin aaye
Ae ri mai aaj piya nahin aaye
Ae ri mai aaj piya nahin aaye
Ae ri mai aaj piya nahin aaye
Tore bina mora jiya ghabraye
Tore bina mora jiya ghabraye
Ae ri mai aaj piya nahin aaye
Ae ri mai aaj piya nahin aaye
Ae ri mai aaj piya nahin aaye

I turn around
I don't see you
And i fear that youre gone
The sun is shining in the sky

But its cold in here
Ive been chasing your shadow for so long
Where have you gone

Ghari ghari pal china birha satawe
Apne balam ko aaa or aas lagawe

Now i see
You're all around me
I feel your love
I hear your voice
In me.
