

Khuda kare ke na ruthe kabhi sabab ke din  
Najar me yaar ke har dum bahar banke raho  
Ho gori sharmao na hamse kahdo jara  
Ho gori sharmao na hamse kahdo jara  
Baat kya kya hui raat kaise kati  
O husn ke samne ishk kaise jhuka  
O husn ke samne ishk kaise jhuka  
Baat kya kya hui raat kaise kati  
Ho gori sharmao na hamse kahdo jara

Do dilo ke milan ka wo najuk shama  
Ruh barso tadaprti hai jiske liye

Ye badan chandni jispe kurba nhai  
Dekhte hi jise bujh gaye sab diye  
O aisi halat me kya tumne inse kaha  
O aisi halat me kya tumne inse kaha  
Baat kya kya hui raat kaise kati  
Ho gori sharmao na hamse kahdo jara

Zindagi jab uthi leke angadaiya  
Arzu dil me karwat badalne lagi  
Har ada jab teri ek dulhan ban gayi  
Raat julfo ke saye me chalne lagi  
Jab ye alam tha dono ke jajbat ka  
Jab ye alam tha dono ke jajbat ka  
Baat kya kya hui rat kaise kati  
O husn ke samne ishk kaise jhuka  
Baat kya kya hui raat kaise kati  
Ho gori sharmao na hamse kahdo jara  
Ho gori sharmao na hamse kahdo jara.
