

Group Lyrics

Ho tanake tiye tu karda i-kive
Mera lagada na bin tere jive
Gal meri vi tu waiting vich rakhada
Onda milan na das kara kive

Oh gaddi mori sini kothre bol te
Haak maar layi aa rane pehle mor te
Kehnde antiyan di bhabhi ajj mor di
Kaand ho gaya steel ya haare road te

Oh tere nit de ne raule ithe pai gaye ne taude
Nit de ne raule ithe pai gaye ne taude
Kyon ni chalada tu vich mere kehnde
Kyon ni chalada tu vich mere kehnde

Oh darya na karam mitthi eh
Vair jattan de hundiya varga gehne
Oh darya na karam mitthi eh
Vair jattan de hundiya varga gehne

Ho jatta meriyan gallan to katara na
Aive chadhdi jawani agg lala na
Katt ke samooch vichon le gaya tanaali
Ajj fer mera paraan je badana

Kato hundiya mai billo eri irritatin' ni
Para badya te kar mai de-te-tani
Uche desi aale baira jaanda todada
Pakki shaai jeya bolana sale-tani

Vich chad tere haad jani tang ke kinare
Chad tere haad jani tang ke kinare
Case saahmane ta mainu baj paaye
Case saahmane ta mainu baj paaye

Oh chhad de ve tu soneya pange naviyan
Group-an naal laine
Oh darya na karam mitthi eh
Vair jattan de hundiya varga gehne

Oh chhad de ve tu soneya pange naviyan
Group-an naal laine
