

Guppedu Gundellona Song Lyrics

Emo emitto emo emitto antha kothaga vuntondhi
Emo endhuko emo endhuko manase cheppalenantondhi
Pedhala paiki egirivacche navvu pittale
Kannanchulona kaanthi rekhale
Ye vaipu nuncho nadichi vacche poola ruthuvule
Aasakevo rekkalochele

Guppedu guppedu gundellona chappudu maarindhe
Ippatikippudu emaindo entho baagundhe
Vukkiri bikkiri oohallona oopiri oogindhe
Thakkedavesi thuchaleni haaye kammindhe

Aalochisthunte ardham avuthu vundhe
Ee chitrallanni neevalle
Aaraa theesthunte arere thelisochindhe
Aanandhalanni neevalle

O andhamaina bandhamedho allukunnadhe
