Kharh jawe jithe ni chtaan jehda gabhru
Akhan nal hasda shtan jeha gabhru
Saara din gerhi route maari jaawe gerha
Akh sire di kbootri te rkhi fire jehda

Naina vicho pin lgya ni
Jehda uthda botal ci ga charh ke

Ni munda mera haal puchda haal puchda
Kasoor puchda jehda ni bnda maar ke
Ni munda mera haal puchda haal puchda
Kasoor puchda jehda ni bnda maar ke

Bullter swere shaam ni thar utte hunda ae
Sunya main mapyan da kalla kalla munda ae
Shonk ne awalle shewan mehngian ne paalian
Ldh diyan jan msa akhiyan main taaliyan
Oh Idh diyan jaan msa akhiyan main taaliyan

Dabb lga kaal puchda ke
Tng kru je koi dsi awaaz maar ke

Ni munda mera haal puchda haal puchda
Kasoor puchda jehda ni bnda maar ke
Ni munda mera haal puchda haal puchda
Kasoor puchda jehda ni bnda maar ke

Oh akhan laal chup rehgan boldiyan rehndiyan
Jidi chatri te naaran aap aa ke behndiyan
Ghoor kare kam aap bolda na aam ni
Vajda ilaake vich maajhe aala maan ni

Oh vajda ilaake vich maajhe aala maan ni
Ode pyaar wala jaal vichya ni
Gayi fas dil beh gayi ohnu haar ke ni

Munda mera haal puchda haal puchda
