---

Loki kehnde velly hai tu  
Haan haige aa  
Loki kehnde baada maada  
Haan haige aa

Ve loki kehnde addab hai tu  
Haan haige aa  
Ho sachho sachhi dassi yaara  
Haan haige aa

Haan haige aa..  
Haan haige aa..

Kude mere baare gallan karde ne jo  
Ni chelle ne

Kude mere baare gallan karde ne jo  
Ni velle ne

Shonk pugade jatt kude ni  
Phalle morni patt kude ni  
Hatt ja puchno hatt kude ni  
Bigde baale jatt kude ni

Struggle meri nu kismat kehnde  
Ohna ne kuch dekheya ni  
Main jo shikheya uthde bainde  
Ohna ne oh shikheya ni  
Ohna nu aa ki pata  
Assi ki ki balliye seh gaye aa

Loki kehnde velly hai tu  
Haan haige aa  
Loki kehnde baada maada  
Haan haige aa

Ve loki kehnde addab hai tu  
Haan haige aa  
Ho sachho sachhi dassi yaara

Haan haige aa

Haan haige aa....

Haan haige aa....

Logan da kam bolan da ae

Audhar ghatt dhyan kude

Je koyi chadh da har koyi sad da

Sach assi vi keh gaye aa
