

Haan Kar De Song Lyrics

Ve main bhardi ni haami tang taan karde,
Ni tu ik wari mitran nu haan karde,
Okay! Number one and two, source thirty three!

Haan tu akh di ghoor naal paraan karde,
Tang kardey jo dekhin hathin chhaan karde,
What is this crazy rock & roll?

Ve main bhardi ni haami tang taan karde,
Taan karde ve jatta taan karde.

Tang karde jo hathi dekhi chhaan karde,
Chhaan karde ni billo chhaan karde.

Hond jatti di aa jatta paare wargi,
Hath naiyo auni chann ve,
Ho meri sadgi kaleje satt maare,
Puwade jo puwaundi chann ve,

Hond jatti di aa jatta paarey vargi,
Hath naiyo auni chann ve,
Ho meri sadgi kaleje satt maare,
Puvade jo puvaundi chann ve.

Taiyon chadke banere kaa' kaa' karde,
Kaa' karde ve jatta kaa' karde,

Tang karde jo hathi dekhi chhaan karde,
Chhaan karde ni billo chhaan karde.

Ve tu akh di ghoor nal paraan karde,
Peraan karde, ve haan paraan karde.

Faida chakde jo bilo teri sang da,

Dhilli chool wangu thokdu main saare,
Faida chakdey jo bilo teri sang da,

Kera pai gayi fer mud'ke ni laiwani,
Aena pakka mecha mitran di wang da,

Naam jihte mera kera khadi bahn karde,
Bahn karde ni billo bahn karde,

Ve main bhardi ni haami tang taan karde,
Taan karde ve jatta taan karde.
Ni tu ik wari mitran nu haan karde,
Haan karde ni billo haan karde.

Tere pyar da saroor rehnda chadeya,
Akhaan ch chhupa ke rakhdi,
Koi ehna cho na naam tera parh laye,
Main tahin neewi paake rakhdi,

Tere pyar da saroor rehnda chadeya,
Akhaa ch chhupa ke rakhdi,
Koyi ehna cho na naam tera parh laye,
Main tahin neewi paake rakhdi,

Tainu jaan'de ni tahin taan hawa karde,
Hawa karde ve haan hawa karde,

Tang karde jo hathi dekhi chhaan karde,
Chhaan karde ni billo chhaan karde.

Ve tu akh di ghoor nal paraan karde,
Peraan karde, ve haan paraan karde.

Sach kehnde ne seyane naiyo lukda,
Chori ishq mushk te yaari,

Sach kehnde ne seyane naiyo lukda,
Chori ishq mushk te yaari,
Aini saukhi naiyo billo sire chadni,
Laayi jatt naal mulazedaari,

Tu baithi chup asi lokan diyan taan jarrde,
Taan jarrde, ni bilo taan jarrde,

Ve main bhardi ni haami tang taan karde,

Ni tu ik wari mitran nu haan karde,
Haye tu akh di ghoor nal paraan karde,
Tang karde jo hathi dekhi chhaan karde,
Chaan karde ni billo chhaan karde.
