

Aasama pe chandani ka
Ek dariya bah raha thaa
Haa to mai kya kah raha tha

Kah rahe ethe tum hasina
Ishk me muskil hai jina
Ha ha mujhe ab yad aya
Jab se maine dil lagaya
Aj aj kon sa din hai
Sukravar hai
Wakt yuhi ja raha hai
Thahro koi aa raha hai
Koi musafir hai
Apne raste ja raja hai
Toba mai to dar gaay tha
Ha to mai kya kah raha tha
Ha to mai kya kah raha tha

Kah rahe the tum kahani
Jab se aayi hai javani
Ab suno tum baat aage
Jab se ye araman jage
Aaj kaun si tarikh hai
Aaj chhabbis tarikh hai
Pyaar sapane bun raha hai
Dekho koi sun raha hai
Mali hai
Baag se kaliya chun raha hai
Mai to dhokha kha gaya tha
Ha to mai kya kah raha tha

Yad karte ye fasana tum
Mujhe mat bhul jana
Kya deewana hu mai koi
Jab se meri nind khoi
Haa ye kaun sa
Mahina hai janavari
Rut suhani jhumati hai
Ye pulis kyun ghumati hai
Haa are baba tumhe nahi

Kisi chor ko dhundhti hai
Darde furaqat sah rahe the
Haa to tum kuchh kah rahe the
Haa to tum kuchh kah rahe the
Haa to tum kuchh kah rahe the
Are ha mai kuchh kah raha tha
Bhul gaye are ha
Chalo chalo ghar chale.
