

Haaniya Lyrics

Girl do you mind?
Taking me for a spin around ayy
I wanna check out if you in the vibe ayy
She be rolling like a movie star babe
We in this together ride or die

Girl do you mind?
Taking me for a spin around ayy
I wanna check out if you in the vibe ayy
She be rolling like a movie star babe
We in this together ride or die

Tu hai toh darr nahi hai koi fikr nahi hai
Tu sang chale toh rok doon main aandhiyaan
Apni toh zidd yahi hai manmaani hi sahi hai
Pehle jo naa ki hai zaroori karne de galtiyaan

O haaniya ve tu jo milaave
Toh ungliyon pe main nacha doon yeh jahaan
O haaniya ve pakke iraade
Tu saath de toh main gira doon aasmaan

Girl do you mind?
Taking me for a spin around ayy
I wanna check out if you in the vibe ayy
She be rolling like a movie star babe
We in this together ride or die

Jo mil gaya mainu sath tera
Taan gham door jaan lagaayein
Hai khushi chhote chhote palan vich
Samajh mainu aan lagaayein

Kuch toh karne ka junoon hai wahi karein hum yahan
Koi bhi jo soch na paaye jeetein saari baaziyaan hum
Sirfiri aadatein humko roke na koi duniya ki
Chal gayi jodi jo apni chal gayi
Tu hai toh dariya pe bana loon raasta

Tu hai toh darr nahi hai koi fikr nahi hai
