

Meri gall, meri adaa  
Ya koi galti tainu kujh yaad hovega  
Mere jinna, tainu pyar  
Naiyo kar na paave koi mere baad hovega

Ve tu kinneya di zindagi sikha layi  
Mainu vi unna naal karta

Ve tu kinne saalan baad haal  
Puchheya te fer ohi haal karta  
Ve tu kinne saalan baad haal  
Puchheya te fer ohi haal karta

Haaye ve.. haaye ve..  
Haaye ve.. haaye ve..  
Haaye ve.. haaye ve..  
Haaye ve.. haaye ve..

Duniya de vich loki  
Sachcha pyar bhull jande  
Mere kolon tera jhootha  
Pyar ni bhullda

Karda pyar je tu  
Dass mainu dass mainu  
Yaaran main ton rullda

Enni nayi si ummed Raj tere ton  
Tu vi hai kamaal karta

Ve tu kinne saalan baad haal  
Puchheya te fer ohi haal karta  
Ve tu kinne saalan baad haal  
Puchheya te fer ohi haal karta

Ro ro ke karenga tu  
Thoda thoda darenga tu  
Paina tainu, paina tainu  
Aisa kamm karna

Ki socheya si main  
Tay ho gaya hai ki  
Sannu ki pata si assi  
Tere hathon marna

Ro ro ke karenga tu  
Thoda thoda darenga tu  
Paina tainu, paina tainu  
Aisa kaam karna

Ki socheya si main  
Tay ho gaya hai ki  
Sannu ki pata si assi  
Tere hathon marna

Ehsaan kithon bhull hona tera  
Jo yaara chadiwaar karta

Ve tu kinne saalan baad haal  
Puchheya te fer ohi haal karta  
Ve tu kinne saalan baad haal  
Puchheya te fer ohi haal karta.
