Yaha dekho tali baje  
Waha dekho siti baje hu lala  
Aankho mein jadu hai galo pe lali hai  
Beuty is beauty ki duniya mein  
Sabse nirali hai  
Haye lahrake chalti hai  
Phulo ki dali hai  
Nakhre dikhlati hai ladki  
Ye nakhre wali hai  
Ye to hai sokh hasino ka jaha  
Ye to hai sokh hasino ka jaha  
Baho me baho me aaja meri ja

Karengi hum salam ram ram

Aaj twist kariye nal bhangda payiye  
Ke moti naye tand kudiye  
Tu has ke dikhade soniye haye  
Chakde fatte

Koi deewna hai koi mastana hai  
Koi begana to koi jana pahchana hai  
Are masti hai nagma hai

Kaisa humgama hai  
Hindustani gaana hame  
English dhun pe gana hai  
Aaye hai chand sitaro bhi yaha  
Aaye hai chand sitaro bhi yaha  
Baho mein baho mein aaja meri jan  
Habibi twist karenege twist  
Habibi twist karenege twist  
Karenege hum salam ram ram.
