

Hello everybody
I have been to shake this joint
So why dont you guys
Give me a little ear
As i rock the night
You should be rocking
Rocking rocking moving
Moving moving grroving
Grooving you should be rocking

Hadh ko adab ko todd ke
Let me see your hands
Go up in the air
Hadh ko adab ko todd ke
Let me see your hands
Go up in the air
Apani raaton mein
Kal ka nasha ho
Bas ham hi samjhe aaisi
Zubaan ho kyon ki yaar
Jee lete hai sabhi
Duniya bhulakar ke
Ham jeete hai khushiyon
Mein gam milakar ke
Do you wanna hear that again

Hosh zara sa kuchh
Kuchh nasha ho
Aawargi ho aur
Kuchh haya ho
Kuchh bewafai
Thodi vafaa ho
Ho jaaye yun toh
Phir bolo kya ho
Just when you thought
God gave us nothing you got
Life gives you a lot
Aur mazaa aa jaaye
Ek ajanabi ho jo
Dil ka haseen ho

BHARAT

Duniya bhulakar ke
Ham jeete hai khushiyon
Mein gam milakar ke
Do you wanna hear that again
Hadh ko adab ko todd ke
Let me see your hands
Go up in the air

Gam ko khushi ki thodi hawa de
Toote dilon ko dil ki dawa de
Iss aag mein kuchh aatish mila de
Tumko zarasa paagal bana de
Get with the groove its
The bad time you move
When we bring down the
