

Hai jism magar is mein ab jaan nahi hai
Tujhse bichhad ke jina aasan nahi hai

Ab zindagi mein koi armaan nahi hai

Hai jism magar is mein ab jaan nahi hai
Hai jism magar is mein ab jaan nahi hai
Tujh se bichhad ke jina aasan nahi hai
Ab zindagi mein koi armaan nahi hai
Tujhse bichhad ke jina aasan nahi hai

Aalam dhuva dhuva hai
Mausam hai thehra thehra
Har seemt beabsi hai
Tere dard ka hai pehara
Koi khshi mere dar pe mehmaan nahi hai
Tujhse bichhad ke jina aasan nahi hai

Aankho se ninde ruthi dil bekarar hai
Aatho pehar tara hi mujhe intzaar hai
Aankho se ninde ruthi dil bekarar hai
Aatho pehar tara hi mujhe intzaar hai
Jazbo mein chahato ka tufaan nahi hai
Hai jism magar is mein ab jaan nahi hai
Tujhse bichhad ke jina aasan nahi hai.
