

Tujhe hai to kis se kya hai
Tujhe kiska intzaar hai kah de
Kah de, chhupa mat
Tujhe hai to kis se kya hai
Tujhe kiska intzaar hai kah de kah de
Hai koi maharaba par hai jane kaha
Hai koi maharaba par hai jane kaha
Wo jaa hai wo janam wo janam wahi janejaa
Wo aaye to puri ho to dil ki harek dasta
Hai koi maharaba par hai jane kaha

Mange nigahe tarse ye bahe
Har pal kisko har pal kisko
Manjil pukare dhunde ye rahe

Har pal kisko har pal kisko
Uske bina tadpe dil ye mera bezaba
Tujhe hai to kis se kya hai
Tujhe kiska intzaar hai kah de kah de
Hai koi maharaba par hai jane kaha

Koi nishani tune diwani
Na pahchani na pahchani
Ho dhunde jise dil mai hu wo manjil
Oo anjani, oo anjani
Tu hai zami aur mai hu tera aasma
Dekhe to mharaba aa gaya main yaha
Main jaa hu main janam main jana
Main hi janejaa
Main aaya to puri hai dil ki harek dasta
Dekhe to mharaba aa gaya main yaha
Mujhe is se hi to pyar tha
Iska hi to intzaar tha kah de, kah de
Mujhe is se hi to pyar tha
Iska hi to intzaar tha kah de, kah de
Mujhe is se hi to pyar tha
Iska hi to intzaar tha kah de, kah de
Mujhe is se hi to pyar tha
Iska hi to intzaar tha kah de, kah de.
