

Hai re kismat ka andher hai re  
Bante der bigadte na lage der  
Hai re kismat ka andher hai re

Pal mein hasaye pal mein rulaye  
Soche na bichare re  
Is ke khel hai nyaare  
Khel hai nyaare  
Is ke khel hai nyaare  
Sabhi iske aage haare  
Hai re kismat ka andher hai re

Doob gaya sapano ka chanda  
Tut gaye taare bichhade hath sahare  
Bichhade hath sahare  
Dekho ho gaye waade nyaare  
Mann ki mala tut gayi hai  
Bikhar gaye hai moti  
Re chhin gayi deep se jyoti  
Re chhin gayi deep se jyoti  
Teri aankha hai chhup chhup ke roti
