

Suna hai maine kisi se
Ke zindagi mein kabhi ye
Na kehna kisi se dil ke jo hai gham
Chaho na chaho ke phir bhi
Hame rehna hai bas khush hi
Jaise jite ho sabki marji pe
Mushkil hai bada hi intjar ka ye mod
Hai pal do ab sabar ko de hamko
To kya kam ka hai chup rehna
Keh du mai hai ye shaam mere naam
Ye sab sun le ke khwahisho ka hai ye shor
Karo sab gaur hai ye shaam mere naam
Hai ye shaam mere naam

Milati hai bas ek bar hi
Zindagi ye hamko akhir
Toh kahe rukna kaisa ho phir kaho
Kahe ye duniya jo chahe
Hame isase kya lena hai
To kiski bhi koi bat na suno
Dekho ye meri sala hai
Karo khud se ye sawal
Ke unn khabo ka tumhare kya ye hal
To kya kam ka hai chup rehna
Keh du mai hai ye shaam mere naam
Ye sab sun le ke khwahisho ka hai
Ye shor karo sab gaur hai
Ye shaam mere naam mere naam

Ha ye zamana sune

Main kya chahu kya chahu
Yaha mai bhi hu yaha mai bhi hu
To kya kam ka hai chup rehna
Keh du main hai ye shaam mere naam
Ye sab sun le ke khwahisho ka hai
Ye shor karo sab gaur
Hai ye shaam mere naam
Hai ye shaam mere naam mere naam.
