

Hain sabse madhur woh geet jinhe
Hain sabse madhur woh geet jinhe
Ham dard ke sur me gate hai
Ham dard ke sur me gate hai
Jab had se guzar jati hai khushi
Ansu bhi chhalakate aate hai
Ansu bhi chhalakate aate hai
Hain sabse madhur woh geet

Kanto me khile hai phul hamaare
Rang bhare aramano ke
Rang bhare aramano ke
Kanto me khile hai phul hamaare
Rang bhare aramano ke
Rang bhare aramano ke
Nadan hai jo in kanto se
Daaman ko bachaaye jaate hai
Daaman ko bachaaye jaate hai
Hain sabse madhur woh geet

Jab gam ka andhera ghir aaye
Samajho ke savera dur nahi

Samajho ke savera dur nahi
Jab gam ka andhera ghir aaye
Samajho ke savera dur nahi dur nahi
Har rat ki hai saugat yahi
Tare bhi yahi doharate hai
Tare bhi yahi doharate hai
Hain sabse madhur woh geet

Pahalu me paraaye dard basake
Hansna hansana sikh zaraa
Tu hansna hansana sikh zaraa
Pahalu me paraaye dard basake
Hansna hansana sikh zaraa
Tu hansna hansana sikh zaraa
Toofan se kah de ghir ke uthe
Ham pyaar ke dip jalaate hai
Ham pyaar ke dip jalaate hai

Hain sabse madhur woh geet jinhe
Ham dard ke sur me gate hai
Ham dard ke sur me gate hai
Hain sabse madhur woh geet.
