

Hairat zada hoon main,
Kya dekhta hoon main
Jaana hua, pahchana hua,
Ye kon aa gaya
Waisa hi rang hai,
Waisa rup hai
Dekha hua samjha hua,
Ye kon aa gaya

Barso se is dilruba ki,
Taswir dil mein saji
Murat ye hai usi ke,
Sanche mein dhali
Jispe fida hoon main,
Jise poojta hoon main
Lekar yaha phir uski adda,
Ye kon aa gaya

Uski khusbu hawao me bikhri,
Uski garmi hai mahol mein
Do dil yahi pe bandhe the,
Wafa ke khol mein
Manjar saje saje
Mujhse ye puchte

Lekar tujhe phir is
Jagah ye kon aa gaya
Hairat zada hoon main,
Kya dekhta hoon main
Jaana hua, pahchana hua,
Ye kon aa gaya.
