Thandhane thane  
Thandhaaaa  
Thandhaaaa...eeyyy  
Hoo oooo

Yele yele halo halo  
Vandha sanam kundhanumgoo  
Aathangara paatta alli kudingo  
Yele yele halo halo  
Aththa petha fellow fellow  
Kanni ponnu paatu kaiyil pudingo

Alai theendatha karai irukku  
Mazhai thodaadha karai irukku  
Isai thoda manasu onnu irukka  
Niram illadha mozhiirukku  
Manam illa malar irukku
