

Ham aah bhi bharate hai
To ho jaate hai badnaam
Wo qatl bhi karate hai to
Chachra nahi hota
Matalab ki ye duniya hai

Yaha kaun kisi ka hota hai
Matalab ki ye duniya hai
Yaha kaun kisi ka hota hai
Dhokha de dete hai wahi
Jin par ke bharosa hota hai

Khun e jigar se baag ko sicha
Phul khile to aag lagi
Khun e jigar se baag ko sicha
Phul khile to aag lagi
Jal hi gayi ab sari duniya
Rone se ab kya hota hai
Matalab ki ye duniya hai
Yaha kaun kisi ka hota hai

lyrics

Baag me sair ko aaye the
Ek daag jigar me leke chale
Baag me sair ko aaye the
Ek daag jigar me leke chale
Ranginiyo me bhul gaye har
Phul me kaanta hota hai
Matalab ki ye duniya hai
Yaha kaun kisi ka hota hai

Behoshiyo me dil kho baithe
Jab hosh aaya to ye samajhe
Behoshiyo me dil kho baithe
Jab hosh aaya to ye samajhe
Sab jisako mohabbat kehate hai
Sab jisako mohabbat kehate hai
Darasal wo dhokha hota hai
Matalab ki ye duniya hai
Yaha kaun kisi ka hota hai
Dhokha de dete hai wahi

Jin par ke bharosa hota hai.
