

Ho mere sathiya ho mere sathiya
Tune dil chhu liya chhu liya chhu liya
Ham dono hain anjaan magar
Pehchaan purani lagti hain
Ham dono hain anjaan magar
Pehchaan purani lagti hain
Tujhse milke sari duniya
Kyu itni suhani lagti hain
Ham dono hain anjaan magar

Tera kadam pad jaye jaha bhi
Phool pyar ka khil jaye
Tera kadam pad jaye jaha bhi
Phool pyar ka khil jaye
Ho sath ho tere to bin mausam
Pyar ka sawan ghir aye
Anjaani si surat teri
Jani pehchaani lagti hain
Ham dono hain anjaan magar
Pehchaan purani lagti hain
Ham dono hain anjaan magar

Tu jo chale to sath tere
Rangin ujale chalte hain
Tu jo chale to sath tere
Rangin ujale chalte hain

Sharmili ankho mein teri
Sapno ke deepak jalte hai
Tu sath na ho to ye duniya
Mujhko begani lagti hai
Ham dono hain anjaan magar
Pehchaan purani lagti hain
Tujhse milke sari duniya
Kyu itni suhani lagti hain
Ham dono hain anjaan magar
Pehchaan purani lagti hain

Ho aise jiye ham tujhse bichhad ke
Jism kahi aur jaan kahi

Mere liye to sab kuch tu hain
Tu jo nahi to kuch bhi nahin
Tujhko pake ye dil jhume
Har saans deewani lagti hain
Tujhse milke sari duniya
Phir aaj suhani lagti hain.
