

Ham jiye ya mare hay hay ham kya kare
Ham jiye ya mare hay ham kya kare
Ham jiye ya mare hay ham kya kare
Kya kare kya kare kya kare
Hay ham kya kare hay ham kya kare
Hay ham kya kare hay ham kya kare

Khil rahi chandani mast hai kamini
Rup hai rang hai ang me ang hai
Rup hai rang hai ang me ang hai
Mat laga too agan jal raha hai badan
Kab talak yunhi ahe bhare
Ham jiye ya mare hay ham kya kare
Ham jiye ya mare hay ham kya kare

Phulajhadi hai umar jal rahe hain nagar
Har najar tej hai hans rahi sej hai
Har najar tej hai hans rahi sej hai
Tune ghayal kiya dekh lungi piya
Ham gunahon se kahe dare
Ham jiye ya mare hay ham kya kare
Ham jiye ya mare hay ham kya kare

Ha a jindagi dharm hai puny hi karm hai
Jindagi dharm hai puny hi karm hai
Are chal jindagi prem hai prem hi marm hai

Jindagi prem hai prem hi marm hai
Pyar tan se nahi pyar man se karo
Isaka matalab hai kya jindagi bhar maro
Vasana ke pare ankh kholo jara aa
Vasana ke pare ankh kholo jara
Tum bhi ho tum sahi hans ke bolo jara
Tum bhi ho tum sahi hans ke bolo jara
Do dino ke liye rup hai gandh hai aa
Do dino ke liye rup hai gandh hai
Isliye bhog lo woh hi anand hai
Isliye bhog lo woh hi anand hai

Tum samajhate ho kya jindagi aish hai

Aish ho ya na ho kya woh updesh hai
Saty hai jindagi jhuth hai vasanaaaa
Saty hai jindagi jhuth hai vasana
Vasana ke bina jhuth hai sadhana
Vasana ke bina jhuth hai sadhana
Bhog me tyag hai tyag anand hai
Dur dekhega kya jo najarband hai
Rup hai do ghadi pyar hai sarvada
Ek hai jhil toh ek hai narmada
Roshani ke liye dip banakar jalo

Megh bankar chalo mom banakar galo
Jindagi tyag hai na ki vyapar hai
Jo ki kudagarj hai usaka dhikkar hai
Usaka dhikkar hai usaka dhikkar hai
Chalate duniya ka dukh ham hare
Ham jiye ya mare hay ham kya kare
Ham jiye ya mare hay ham kya kare
Ham jiye ya mare hay ham kya kare.
