

Taqdeer ki aandhi aisi chali
Kashti se kinaara tut gaya
Ik tera sahaara dil ko thaa
Aur woh bhi sahara tut gaya

Ujada umeedon ka chaman
Haaye hum kahan aur tum kahan
Haaye hum kahan aur tum kahan
Armaan tadapte rahe gaye
Haaye hum kahan aur tum kahan
Haaye hum kahan aur tum kahan

Do dil ki bichhadkar rahe gaye
Sadmo pe sadame rahe gaye
Sadmo pe sadame rahe gaye
Kaise milu tumse sajan
Haaye hum kahan aur tum kahan
Haaye hum kahan aur tum kahan

Haaye woh mulakaate gayi
Woh pyar ki baatein gayi
Aankhon mein aansoo rahe gaye
Woh chaandani raate gayi
Woh chaandani raate gayi
Woh ro pukaare tumko mann
Haaye hum kahan aur tum kahan
Haaye hum kahan aur tum kahan

Dukh apna main kisko kahun
Din raat main roti rahun
Din raat main roti rahun
Jaati nahin dil ki jalan
Haaye hum kahan aur tum kahan
Haaye hum kahan aur tum kahan
Aa saajna aa saajna haaye saajna.
