

Kaun hai jisne mai nahi chakkhi
Kaun jhoothi kasam uthata hai
Maikade se jo bach nikalata hai
Teri aankhon mein dub jaata hai

Ham tumhe aisi pila denge tum aao to sahi
Ham tumhe aisi pila denge tum aao to sahi
Hosh ka naam bhula denge tum aao to sahi
Ham tumhe aisi pila denge tum aao to sahi

Jaam botal se bharo aur laga lo muh se
Jaam botal se bharo aur laga lo muh se
Tumko pina bhi sikha denge tum aao to sahi
Tumko pina bhi sikha denge tum aao to sahi

Aaj kal roz hai maikhane mein aana jaana
Aaj kal roz hai maikhane mein aana jaana
Tumko saaki se mila denge tum aao to sahi
Tumko saaki se mila denge tum aao to sahi

Kya kaha gham ne sata rakha hai tauba tauba

Kya kaha gham ne sata rakha hai tauba tauba
Gham ko thodi si pila denge tum aao to sahi
Gham ko thodi si pila denge tum aao to sahi
Hosh ka naam bhula denge tum aao to sahi
Ham tumhe aisi pila denge tum aao to sahi
Ham tumhe aisi pila denge tum aao to sahi.
