

Aye aye aye aye aye hamra hamra  
Eye hamra  
Aye hamra nam hai ramkatori,  
Aye hamra nam hai ramkatori  
Ek avadh ke raja ne karli  
Ek avadh ke raja ne karli hamre  
Man ki chori chori ke  
Ke hamra ke hamra ke hamra  
Naam hai ramkatori,  
Ke hamra nam hai ramkatori

Dekho re dekho dekhne walo  
Dekho re dekho dekhne walo  
Ham to kaisi rangili rangili  
Jab se parbhu ne dekha hamko  
Ham to hui hai rasili rasili  
Bahar se ham chanchal hai par  
Bahar se ham chanchal hai  
Par bhitari se nahi chichori chichori  
Ke hamra ke hamra ke hamra  
Naam hai ramkatori,  
Ke hamra nam hai ramkatori

Ang ang mere tang banake  
Ang ang mere tang banake  
Man me baji hai bansuriya bansuriya  
Jiska janam bhar rang na utare  
Rang li hai aisi chunariya chunariya  
Ham to uski kathputli hai

Ham to uski kathputli hai  
Jiske hath hai dori ke dori  
Ke hamra ke hamra ke hamra  
Naam hai ramkatori,  
Ke hamra nam hai ramkatori  
Ek avadh ke raja ne karli  
Ek avadh ke raja ne karli hamre  
Man ki chori chori ke  
Ke hamra ke hamra ke hamra  
Naam hai ramkatori,

Ke hamra nam hai ramkatori.
