

Aa aa aa, aa aa
O ho ho, ho ho
Machalati hui, hawaa me chham chham
Hamaare sag sag chale gangaa ki lahare
Machalati hui, hawaa me chham chham
Hamaare sang sang chale gangaa ki lahare
O, zamaane se kaho akele nahi ham
Hamaare sang sang chale gangaa ki lahare
Zamaane se kaho akele nahi ham
Hamaare sang sang chale gangaa ki lahare

Hariyaali si, chhaa jaati hai

Chhaanv me in ke aanchal ki
Hariyaali si, chhaa jaati hai
Chhaanv me in ke aanchal ki
Sar ko jhukaa ke, naam lo in ke
Ye to hai shakti nirabal ki
Himaalay ne bhi chume hai in ke qadam
Machalati hui, hawaa me chham chham
Hamaare sag sag chale gangaa ki lahare
Zamaane se kaho akele nahi ham
Hamaare sang sang chale gangaa ki lahare

Sukh me dubaa, tan man us kaa
Aayaa jo in ke aangan me
Sukh me dubaa, tan man us kaa
Aayaa jo in ke aangan me
Pyaar kaa pahalaa, darpan dekhaa
Duniyaa ne in ke darshan me
Ke yun hi nahi khaate ham in ki qasam
Zamaane se kaho akele nahi ham
Hamaare sag sag chale gangaa ki lahare
Machalati hui, hawaa me chham chham
Hamaare sag sag chale gangaa ki lahare

Saath diyaa hai, in laharo ne
Jab sab ne munh pher liyaa
Saath diyaa hai, in laharo ne
Jab sab ne munh pher liyaa

Aur kabhi jab, gam ki jalati
Dhup ne ham ko gher liyaa
To aao in ke hi qadamo me jhuk gaye ham
Machalati hui, hawaa me chham chham
Hamaare sag sag chale gangaa ki lahare
Zamaane se kaho akele nahi ham
Hamaare sag sag chale gangaa ki lahare.
