

Humare siva tumhare
Aur kitane divane hai
Ha tumhare aur kitne thikane hai
Qasam se kisi ko nahi
Mai janati, achchha
Aur kisi ko nahi pahchati
Chhodo chhodo ye to bahane hai
Humare siva tumhare
Aur kitane divane hai

Khubsurti aur vafa
Dekhi na dono ek jagah
Ha dekhi na dono ek jagah
Hote hai mard bade shaqi
Bat hai ye bilkul pakki
Bholi si aati ho nazar
Ho chanchal chalak magar
Aurat ka dil jane nahi
Ap hume pahachane nahi
Chhodo chhodo ham bhi sayane hai
Humare siva tumhare
Aur kitane divane hai

Tum ho paresha kis gam se
Raz e dil kah do hum se
Apani kaho chhodo meri

Karte ho kyo hera pheri
Yaro pe tohmat lagate nahi
Sab ko nishaana banate nahi
Khud harajayi banwre ho tum
Ek jagah kab thahre ho tum
Chhodo chhodo ham to parwane hai
Humare siva tumhare
Aur kitane divane hai
Qasam se kisi ko nahi
Mai janati, achchha
Aur kisi ko nahi pahchanti
Chhodo chhodo ye to bahane hai
Humare siva tumhare

Aur kitane divane hai.
