

Hame bhaane lage dil lubhaane lage
Lo wo sapnon ki duniya basane lage
Basane lage hame bhaane lage
Dil lubhaane lage lo wo sapnon ki
Duniya basane lage

Basane lage muskuraane lage
Dil churaane lage wo nigaaho se
Bijli giraane lage giraane lage
Hame bhaane lage

Laakh armaan dil mein machalne lage
Laakh armaan dil mein machalne lage
Meri rag rag se naghme nikalne lage
Meri rag rag se naghme nikalne lage
Gungunaane lage chahchahaane lage
Mere hontho pe tum thrthrane lage
Thrthrane lage hame bhaane lage

Yaad hardam tumhaari sataane lagi
Yaad hardam tumhaari sataane lagi
Aankh raaz e mohabbat chhupane lagi
Aankh raaz e mohabbat chhupane lagi
Sar jhhukaane lage munh phiraane lage
Hum zamane se nazre bachaane lage
Bachaane lage hame bhaane lage

Chhed jaati hain kaali ghataye sajan
Chhed jaati hain kaali ghataye sajan
Jee jalaane lage thandi aahe sajan
Jee jalaane lage thandi aahe sajan
Dil ko bhaane lage lo rulaane lage
Haay saawan ke din bhi jalaane lage
Jalaane lage hame bhaane lage.
