

Hamesha tu mujh mein rahega
Kaha yaha yaha
Hum aur tum us pe ye shama
Aise mein kah bhi de dil ki dasta
Dil mein tu hi tu
Hamesha hamesha
Ha ji ha ji ha

Hamesha tu mujh mein rahega
Kaha yaha yaha
Hum aur tum us pe ye shama

Pehale aankhe mili phir isare hue
Phir mila dil se dil tum hamare hue
Masti ka aalam chhne laga hai
Aakar sambhalo mujhe
Baho mein bhar ke dil mein utar ke
Mujhse chura lo mujhe
Hum aur tum us pe ye shama
Aise mein kah bhi de dil ki dasta

Roop sajta hai kab
Pyar hota hai jab
Pyar hota hai kab
Yaar milta hai jab
Chahat thi meri puri hui hai

Jeevan mein thi jo kami
Aankho mein teri surat hai jab se
Khush rang hai zindagi
Dil mein tu hi tu
Hamesha hamesha
Ha ha ji ha ha
Hamesha tu mujh mein rahega
Hamesha tu mujh mein rahegi
Kaha kaha yaha yaha.
