

Jab pyar kiya to na
Socha na samjha na bujha
Jab dil diya toh kaise
Rahe nazar main koi duja
Keh de koi kitna bhi koi kahe
Keh de koi jo kahe
Main toh bas
Ek baat kahunga
Jab pyar kiya to na
Socha na samjha na bujha
Jab dil diya toh kaise
Rahe nazar main koi duja
Keh de koi kitna bhi koi kahe
Keh de koi jo kahe main toh bas
Ek baat kahunga
Hamesha tere saath rahunga
Hamesha tere saath rahunga

Jab pyar kiya to na
Socha na samjha na bujha
Jab dil diya toh kaise
Rahe nazar main koi duja
Keh de koi kitna bhi koi kahe
Keh de koi jo kahe main toh bas
Ek baat kahunga
Hamesha tere saath rahunga
Hamesha tere saath rahunga
Hamesha tere saath rahunga

Dil ne dil se dil hi dil
Main jo vaada kiya
Maine tumse milne
Ka jo irada kiya
Ab toh roke koi
Roke yeh sara jahan
Roke ruke na yeh chahat
Main dil ki baat kahunga
Hamesha tere saath rahunga
Hamesha tere saath rahunga
Jab pyar kiya to na

Socha na samjha na bujha
Jab dil diya toh kaise
Rahe nazar main koi duja
Keh de koi kitna bhi koi kahe
Keh de koi jo kahe main toh bas
Ek baat kahunga
Hamesha tere saath rahunga
Hamesha tere saath rahunga
Hamesha tere saath rahunga
Hamesha tere saath rahunga

Doori kaisi kaisi doori
Jab dil pass hain
Tu hi chahat tu hi
Jeene ka ka ehsaas hain
Ab tere bin bin tere dil na lage
Ab tere bin dum na lunga
Main aur ek saans na lunga
Hamesha tere saath rahunga
Hamesha tere saath rahunga
Jab pyar kiya to na
Socha na samjha na bujha
Jab dil diya toh kaise
Rahe nazar main koi duja
Keh de koi kitna bhi koi kahe
Keh de koi jo kahe main toh bas
Ek baat kahunga
Hamesha tere saath rahunga
Hamesha tere saath rahunga
Hamesha tere saath rahunga
Hamesha tere saath rahunga
