

Sometimes i don't know why i feel this way
Am i just a state of mind
Fighting the demons hiding in my head
Dreaming dreams of angels
And i pray
Im praying for love

Sailing away upon the sea of wonder
Drowning in the things you say
Learning to fly with broken wings
In skies of my illusion

And i wait
Im waiting for love

Pa re sa pa re sa
Pa re sa pa re sa

Pa re sa pa re sa
Pa pa re sa pa re sa.
