

Humse karle dosti
Le thodi si aur pi
Humse karle dosti
Le thodi si aur pi
Aaram se fir sochna
Pahle maja udana
Humse karle dosti
Le thodi si aur pi
Aaram se fir sochna
Pahle maja udana
Humse karle dosti
Le thodi si aur pi

Jhumenge lahrayenge
Bahkenge bahkayenge
Bahkenge bahkayenge
Bahkenge bahkayenge
Pyar me dono milke
Sabke dil tadpayenge
Sabke dil tadpayenge
Sabke dil tadpayenge
Humse karle dosti
Le thodi si aur pi
Aaram se fir sochna
Pahle maja udana
Humse karle dosti

Aaj mile diwane do
Acha baba jane do
Ab jo ho ho jane do
Ab jo ho ho jane do
Kam hai dunia ka jalna
Jalti hai jalne do
Jalti hai jalne do
Jalti hai jalne do
Humse karle dosti
Le thodi si aur pi
Aaram se fir sochna
Pahle maja udana
Humse karle dosti

Jo hoga acha hoga
Jo hoga acha hoga
Bat hamari mahfil me
Apna hi charcha hoga
Apna hi charcha hoga
Apna hi charcha hoga.
