

Hans hans ke haseeno
Se nazar char kiye ja
Jo bhi kare pyaar
Usse pyaar kiye ja
Hans hans ke haseenon
Se nazar char kiye ja
Jo bhi kare pyar
Usse pyaar kiye ja

Ye zulf ye aabru ye
Lachkati hui baahe
Bijli si giraati hui
Khaamosh nigaah
Ye zulf ye abru ye
Lachkati hui baahen
Bijli si giraati hui
Khaamosh nigaahen
Hai taaqat-e-deedar
To deedar kiye ja
Hans hans ke haseeno
Se nazar char kiye ja
Jo bhi kare pyaar
Usse pyaar kiye ja
Hans hans ke haseenon
Se nazar char kiye ja
Jo bhi kare pyaar
Usse pyaar kiye ja

Laazim hai mohabbat
Mein lagaavat bhi ada bhi
Ulfat mein mile kuchh to
Tadapne ka maza bhi
Laazim hai mohabbat
Mein lagaavat bhi ada bhi
Ulfat mein mile kuchh to
Tadapne ka maza bhi
Iqraar kiye ja kabhi
Inkaar kiye ja
Hans hans ke haseenon
Se nazar char kiye ja

Hans hans ke haseenon
Se nazar char kiye ja
Jo bhi kare pyaar
Usse pyaar kiye ja

Har ek ada husn ki
Aankhon mein basa le
Seene mein zara ishq
Ka toofaan jaga le
Soyi hui taqdeer
Ko bedaar kiye ja
Hans hans ke haseenon
Se nazar char kiye ja
Jo bhi kare pyaar
Usse pyaar kiye ja
Hans hans ke haseenon
Se nazar char kiye ja
Jo bhi kare pyaar
Usse pyaar kiye ja.
