

Jay hanuman ghyan ghun sagar
 Jay kapis tihu lok ujar
 Ramdut atilut bal dhama
 Anjani putar pawan sut nama
 Mahadev vikarm bajarangi
 Kumati niwar sumati ke sangi
 Jay hanuman ghyan ghun sagar

Kanchan baran viraj suwesa
 Kanan kundal kunchit kesha
 Hath vajar aur dhawaja viraje
 Kandhe mukh janeu saaje
 Shankar suwan kesari nandan
 Tej partap maha jag bandan
 Vidya vaan guni hat chatur
 Kam kaj karibe ko aatur
 Tabu charitar sunibe ko rasiya

 Ram lakhan sita man basiya
 Dushman rup dhari sihai
 Dikhava vikat rup dari lank jarawa
 Jay hanuman jay hanuman
 Jay hanuman jay hanuman
 Bhim rup dari asuar sanhare
 Ramchandar ke kaaj saware
 Laye sajivan lakhan jiyaye
 Shri raguveer harsi uurlaye
 Ragupat kihni bahut badai
 Tum mam piriya barti sam bhai
 Shaj padam tumharo jash gave
 Aas kahi shri pati kanth lagave
 Sankadik bharmadik munisa
 Narad sarad sahit ahisa
 Jab kuber dikpaal jaha se
 Kabi gobind kabi sakhe kaha te

Tum upkar sugariw kinha
 Ram milaye rajpat dhina
 Tumharo mantar vibhisan mana
 Lankeshwar bhye sab jag jana

Rukhsastar jo jan par bhanu
 Lilo tahi madhuar fal janu
 Parbu mudarika milyo mukh
 Mahi jaldi lang gaye achraj nahi
 Durgham kaj jagat ke jete
 Sugam anugrah tumhare tete
 Ram duware tum rakhware
 Hot na aaghya bin pasare
 Sab sukh le tumhari sharana
 Tum rakshak kahu ko drana
 Aapan tejh samro aape
 Tino lok hakthe kaape
 Bhut pishach nikat nahi aawe
 Mahaveer jab naam sunawe
 Jay hanuman jay hanuman
 Jay hanuman jay hanuman
 Nase rog hare sab pida
 Japat nirantar hanumat bira
 Sankat te hanuman chhudave
 Maglam vachanam dhyan jo lave
 Sab par ram tapasvi raja
 Tinke kaaj sakal tum saja
 Aur manorath jo koi lave
 Sohi amit jivan fai pave

Chharo juag partap tumhara hai
 Parsiad jagat ujjyara
 Sadu sant ke tum rkhware
 Asuar nikadan ram dulare
 Asak sidi navnidi ke
 Data asvardin janaki mata
 Ram rasayan tumjhre pasa
 Sada raho ragupati ke dasa
 Tumhare bhajan ram ko
 Bhave janam janam ke dukh bisrave
 Annat kaal ragupur jai
 Jaha janam hari bhgat kahai
 Aur devata chit ne darai
 Hanumat se hi sarav sukh karai
 Sankat kate mite sab pida

Jo sumire hanumat balbira
Jay jay jay hanuman gusahi
Kerpa karo guru dev ke naai
Jo sat bar path kar koi
Chhuti bandi mahasukh hoi
Jo yah pade hanuman
Chalisa hoye siddi sadi gorisa
Tulsidas sada hari chera
Kije naath harday me dara
Jay hanuman jay hanuman
Jay hanuman jay hanuman.
