

Saal bhar mein sabse pyara,
Hota hai ek din,
Sau duaein de raha dil,
Tumko aaj ke din,

I wish you happy happy birthday,
Happy birthday happy happy birthday to you,
I wish you happy happy birthday,
Happy birthday happy happy birthday to you,
I wish you happy happy birthday,
Happy birthday happy happy birthday to you,
I wish you happy happy birthday,

Happy birthday happy happy birthday to you,

Ye rang laye meri mannatein,
Puri ho teri sabhi hasratein,
Saare jahan ki khushi ho teri,
Ab to yehi aarzoo hai meri,

Ek ishare pe tere main,
Jaan luta dunga,
Tere khabon ko haqiqat,
Main bana dunga,

I wish you happy happy birthday,
Happy birthday happy happy birthday to you,
I wish you happy happy birthday,
Happy birthday happy happy birthday to you,
I wish you happy happy birthday,
Happy birthday happy happy birthday to you,
I wish you happy happy birthday,
Happy birthday happy happy birthday to you,

Sab keemti gift laye magar,
Tohfa mohabbat ka laya hoon main,
Har lamha main saath dunga tera,
Saaya tera ban ke aaya hoon main,

Dard ki koi leher tujhe,
Chhu na payegi,

Koi aafat bhi jo aaye,
Laut jayegi,

I wish you happy happy birthday,
Happy birthday happy happy birthday to you,
I wish you happy happy birthday,
Happy birthday happy happy birthday to you,
I wish you happy happy birthday,
Happy birthday happy happy birthday to you,
I wish you happy happy birthday,
Happy birthday happy happy birthday to you,

Happy birthday happy birthday to you,
Happy birthday happy birthday to you..to you,
Happy birthday to you.
