

I never wanna loose a friend like you
You be my shadow all my life
I never wanna loose a friend like me
I will be your shadow all my life
We only wanna fly high
Chahe kitani mushkile ho
Kuchh na rahega
Rahegi yeh dosti
I just wanna say
Happy friendship day
I just wanna say
Happy friendship day

Jo ho toh hasaye
Na ho toh rulaye
Yaari ishq se badke
Par koi samajh na paaye
The world is round
It has no end
And thats how long
Tu hoga mera friend
And time will pass by
But you will always stay
I love you a lot
Thats all i wanna say
I just wanna say
Happy friendship day
I just wanna say
Happy friendship day

I never wanna loose a friend like you
You be my shadow all my life
I never wanna loose a friend like me
I will be your shadow all my life
We only wanna fly high
Chahe kitani mushkile ho
